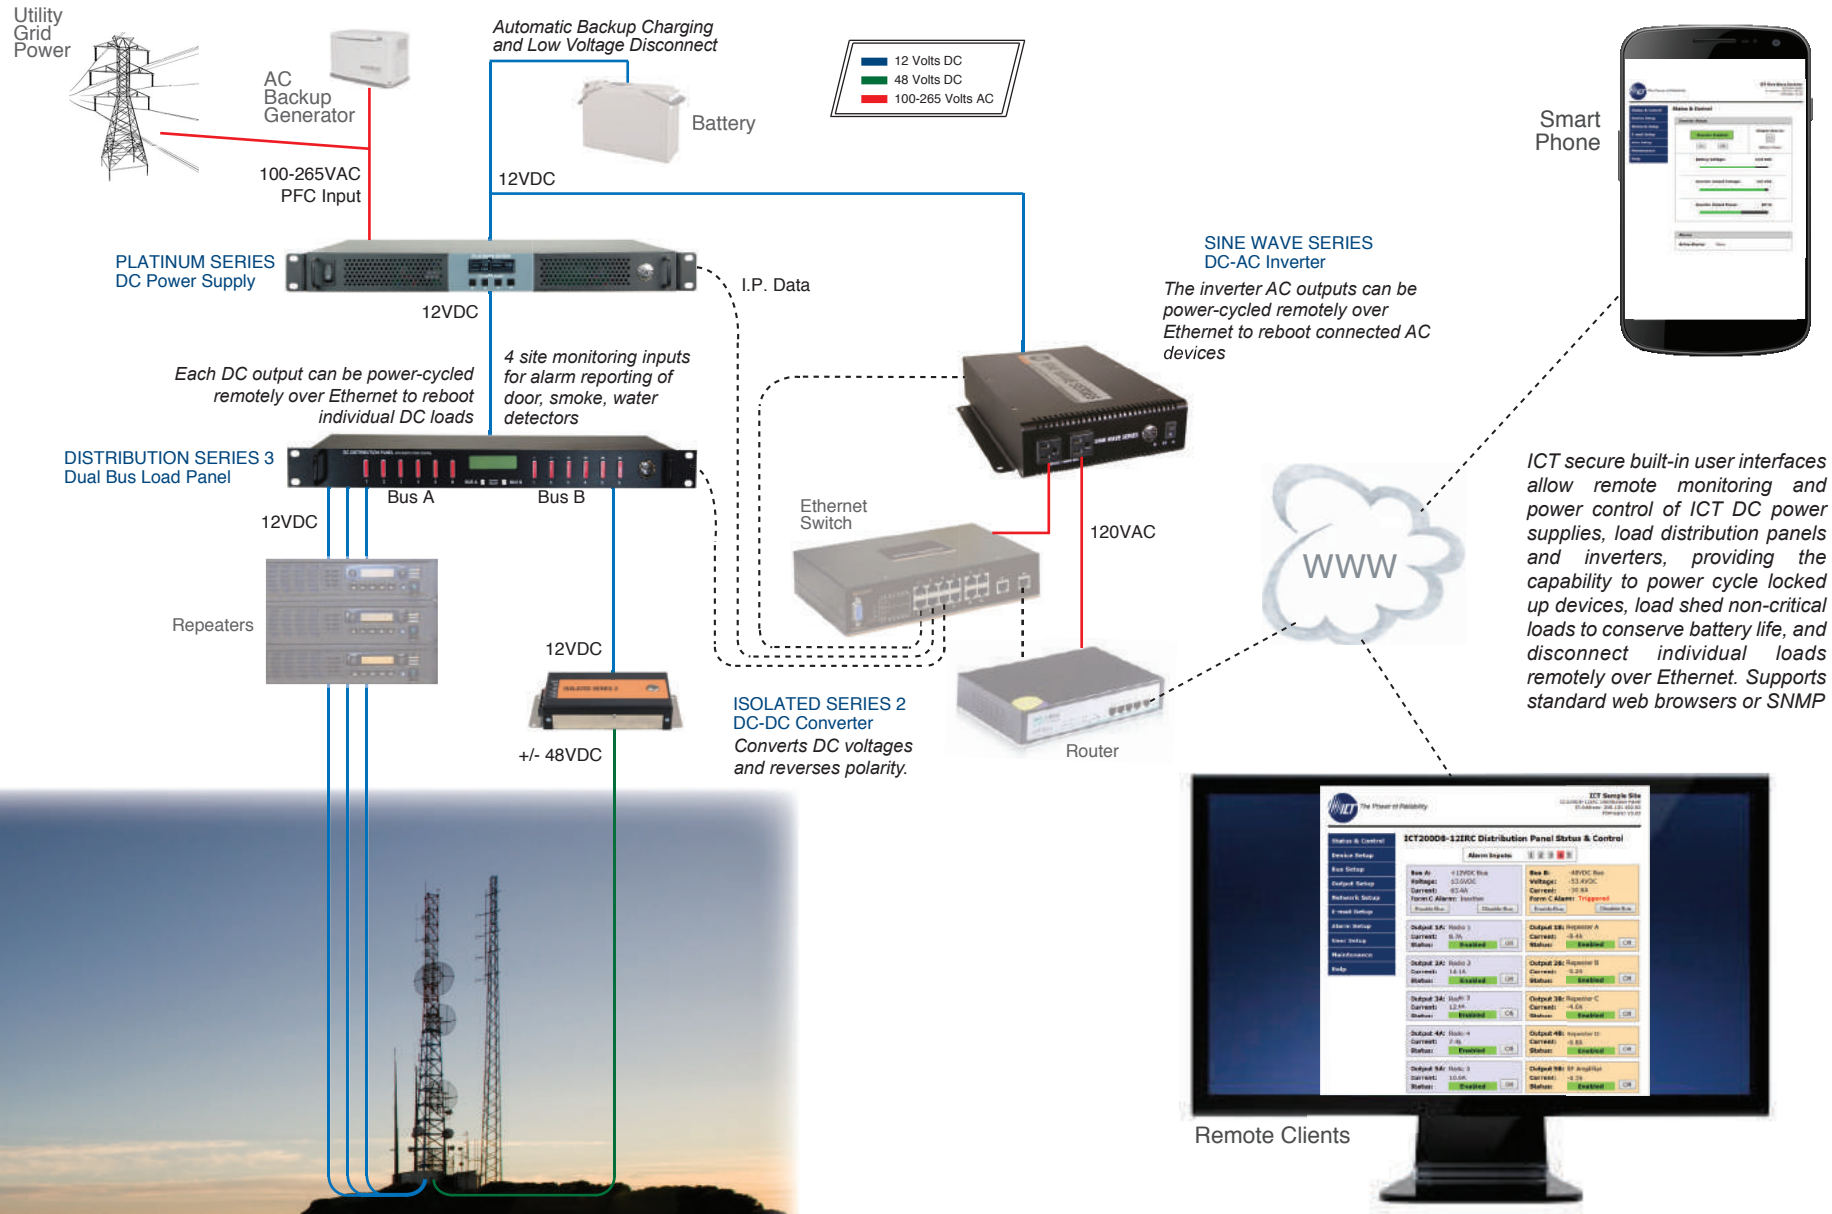
HELIOS
POWER SOLUTIONS

Affordable, Managed DC Power for LMR Networks


- High Efficiency 1RU Power Supplies With Battery Backup & LVD For Reliable Quality Of Service
- TCP/IP Monitoring and Control Of Power Supply Outputs
- 1RU Load Distribution Panels Can Monitor and Power Cycle Connected Loads
- DC to AC Inverters With Remote Output Control Over Ethernet & High Efficiency Conversion To Mimimize Power Loss
- DC to DC Isolated Converters in a range of sizes for small to large sites
